A digital collection of the
personal affairs of students at the University
of Kazan (1917–1925)

Guzel G. Amalieva

Kazan State
University, Kazan, Russia

The Manuscript and Rare Book Division of Kazan
State University has a collection of documents relating to the personal affairs
of students from 1917 to 1925. A digital collection was created to simplify
searching of these narrative private documents of University of Kazan
students. This work is supported by a grant from the Russian Fund for
Humanities Scholarship.
